Subject : Approval on False Ceiling Works Subcontractor (Ref. No.: SC-040)

Dear Sir,

With reference to the above subject and to your letter Ref. No. AIC/IIS/LT/YS/0466/2015 dated 04 January 2015 along with subcontractor submittal Ref. No. (Ref. No.: SC-040), be informed that your proposal of (M/s pureline interior L.L.C) is approved subject to the following:

1. All contract documents such as (specification, drawings and list of approved manufacturers) should be followed.
2. Detailed shop drawings, method statement and materials should be submitted for approval and work shall not commence until all approvals are obtained.
3. Ensure timely delivery for the materials as per project schedule.

This is for your information and necessary action.

Sincerely,

22/1/2015  
Nizar Baalbaki

**Subject** : Sub-contractor Submittal for False Ceiling Work

Dear Sir,

With reference to above mentioned subject we hereby approved M/s proactive Technical Services I.L.C as subcontractor for the above mentioned scope of works subject to the following conditions :

1. Main Contractor is fully responsible for any installation and omission of the approved Sub-contractor.
2. Works shall be carried out in accordance to the Contract Specification, BOQ & Drawings and shall be pre-approved by the Consultant prior to work commencement.
3. Works shall be designed, delivered and completed within the overall project planned time.
4. Material Submittals, Shop Drawings and Builder Works drawings shall be submitted to the Consultant at a very early stage of the project for the review and approval prior to work commencement. Shop Drawings and Builder Works drawings shall be prepared in coordination with all other related works in the project.
5. Shop Drawings shall be approved by the Consultant prior to the execution commencement.
6. Inspection request shall be submitted during Work Execution and Executed Works in advance along with the coordinated time schedule with overall project schedule for review and approval.
7. Qualified Project Engineer as a Team Leader shall be assigned and his prequalification documents shall be submitted for review and approval prior to work commencement.
8. The Sub-contractor is fully responsible for the final handing over of the works to the Main Contractor and the Client after work completions.

Yours Sincerely,  
for **MEECON**

Corrections or comments made relative to submittals during this review do not relieve the contractor from compliance with the requirements of The Contract. This check is only for review of general conformance with the design concept of the project and general compliance with the information given in the contract documents. The contractor is responsible for confirming and correlating all quantities and dimensions, selecting fabrication processes and techniques of construction, coordinating his work with that of other trades and performing his work in a safe and satisfactory manner.
