To whom It May Concern

Subject: Gyproc Experienced Installer

Saint-Gobain Gyproc Middle East confirms that drywall Sub-Contractor M/s. Proactive Technical Services L.L.C has experience with installing Gyproc partitioning and ceilings systems in accordance with the guidance given by Saint-Gobain Gyproc Middle East.

Therefore, based on the collaboration experience, Saint-Gobain Gyproc Middle East does recommend M/s. Proactive Technical Services L.L.C, as they are well trained and experienced in installing Gyproc partition and ceiling systems.

In addition, Saint-Gobain Gyproc Middle East confirms that drylining systems specification support, installation training and on-site technical visits would be provided to M/s. Proactive Technical Services L.L.C for their projects, when full Gyproc systems are used on the project. This support package will enable and ensure M/s. Proactive Technical Services L.L.C to comply with the project specification using Gyproc Partition and Ceiling systems.

To whomsoever it may concern

We would like to convey that M/S Pure Line has worked with Knauf systems on projects like Al Zahia Villas Sharjah, Mudon Phase3, GDRFA Umm Al Quwain, Delux Hotel Al Jadaf etc.

Knauf has no objection on M/S Pure Line to carry out the supply & installation of drywall partitions in accordance with manufacturer recommendations. Knauf, as ever, will extend their best support when requested in terms of project specific trainings, mock-up assistance and regular site inspections for any M/S Pure Line projects.

Any installation work carried out following this training is the responsibility of M/S Pure Line, Knauf LLC cannot accept any responsibility.

This letter has been issued at the request of M/S Pure Line.

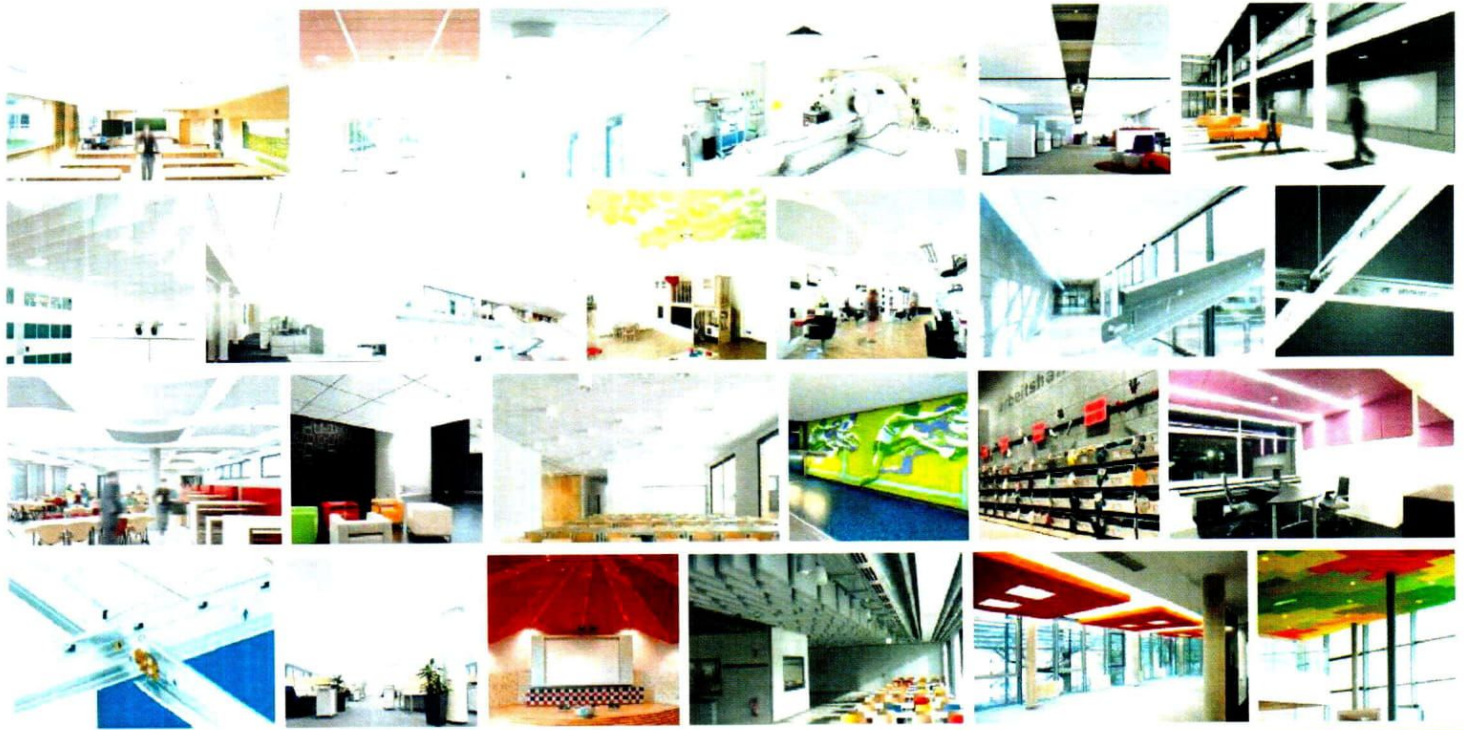

Thanks and best regards
